

## Amendments To The Specification

Please replace the paragraph on page 5, lines 17-25 with the following amended paragraph:

[0014]      Wagering data hub 102 may also be connected to a subscriber management system 120, a television distribution system 122, a tote company 124, a racing data provider 126, and handicapping data provider 128. There may be more than one television distribution system 122, tote company 124, racing data provider 126, and handicapping data provider 128, although only one of each has been shown to avoid over-complicating the drawing.
